This authorisation is valid until the expiry of the loan(s) or until the Broker ceases to be authorised by the Broker Group or the Broker is no longer accredited by Emerge Finance, whichever event occurs first. This Broker Authority enables the Broker to:

- facilitate a request to vary a loan agreement;
- facilitate a request for a further application for finance;
- request information about my/our loan/s and any associated accounts that may be required to complete the variation request. This request for information does not include borrower or guarantor contact details.

The borrower/s acknowledges that:

- Emerge Finance may disclose any personal information that it holds, which may be reasonably necessary to facilitate the Broker's request under this Broker Authority;
- any requests that require signed authority will still be required to be executed by all borrowers and guarantors (where applicable) prior to being processed;
- the Broker Authority does not extend to the Broker updating contact details;
- I/we cancel this authorisation by notice in writing to Emerge Finance at any time by completing a new Broker Authority form.
